Program managed by:

Use Less Energy. Save Money. Do More.

**Your opportunity to save money
and create a healthier
and more comfortable environment.**

ENHANCE YOUR NONPROFIT WITH OUR COMPREHENSIVE ENERGY EFFICIENCY SOLUTIONS

iCAST, a Colorado-based nonprofit, has partnered with The Gates Family Foundation and Funding Partners to develop ResourceSmart for Nonprofits — an energy efficiency improvement program that provides a simple way for you to achieve energy savings. ResourceSmart for Nonprofits takes all the hassle out of making energy efficiency improvements. You'll save money that you can invest in your mission while creating a comfortable and safe environment for those you serve.

Offering a unique combination of incentives, rebates, and financing options. The money you save on energy costs will exceed your loan payments, and because your investment literally pays for itself, there has never been a better time to improve the energy efficiency of your building. Do what other Colorado non-profits have already done: sign up today!

SERVICES PROVIDED INCLUDE:

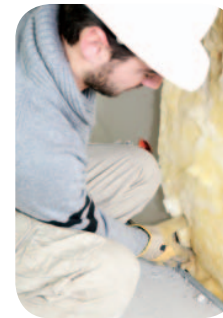

- Comprehensive energy assessments
- Carbon monoxide & radon testing and remediation
- Water conservation
- Detailed report with costs, savings, and payback analysis for each recommendation
- Assistance with securing qualifying rebates and incentives
- Affordable loan packages to help offset initial costs
- Help accessing other funding options
- Benefits of bulk purchasing and volume discounts
- Complete sub-contractor recruitment, qualification, and work management
- Inspections and final quality checks
- Invoicing and reporting

WHY GET STARTED NOW?

ResourceSmart for Nonprofits offers a unique combination of incentives, rebates, and financing options. The money you save on energy costs will exceed your loan payments, and because your investment literally pays for itself, there has never been a better time to improve the energy efficiency of your building. Do what other Colorado non-profits have already done: sign up today!

Our special financing package for qualifying nonprofits includes:

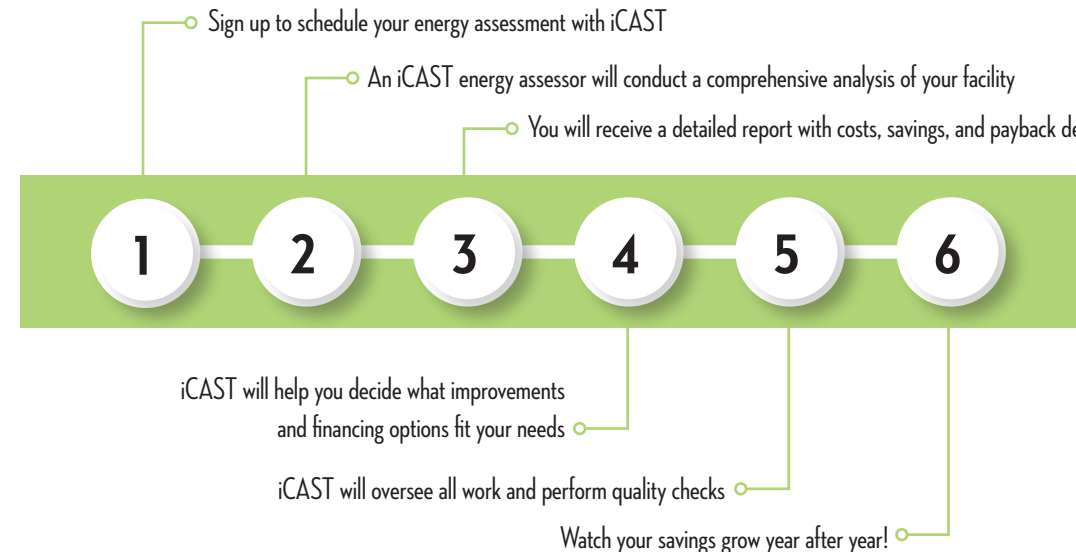

- 3.5% fixed interest rate
- Up to 10-year loan terms
- Simple, easy application
